

To all our friends,

We are very proud to present our wine list.

The wine list has been designed to include some of the finest and most interesting wines from

California as well as the Western regions of the United States in addition to a unique selection of wines from around the world.

Our Citrus City Grille staff will be happy to answer any questions regarding our wines and to make appropriate suggestions that will complement your meal.

We hope you will enjoy our new wines as much as we have!

Cheers
